

Rosanna Zicca

Rosanna Zicca, Accounts Payable Specialist, is responsible for reconciling accounts, researching and resolving accounting issues, processing accounts payable invoices, reviewing and approving expense reimbursements for staff and consultants, and performing other accounting and clerical functions.

Prior to GG+A, Rosanna worked for Tricap Residential Group, where she was responsible for processing accounts payable invoices for multiple properties, researching vendor statements, and completing bank reconciliations.

Prior to Tricap Residential, Rosanna worked for Chicago Public Schools, where she processed electronically submitted accounts payable invoices, which included matching invoices to purchase orders and reviewing vendor statements. Before Chicago Public Schools, Rosanna worked as a contract employee for a number of years for reputable companies such as YMCA, Enlivant, Brady, Connolly & Masuda, Christensen Ehret, Dentons U.S LLP., Mayer Brown LLP, and Meckler Bulger Tilson Marick & Pearson LLP.

Rosanna holds a professional diploma in accounting from Robert Morris University in Chicago, IL. In addition, she is experienced in many different types of accounting and computer software such as One-Site, Oracle/Oracle Imaging, Voyager, Microsoft Dynamics (Solomon 7.0), Perfect Law, and Rainmaker.
