

Lauren Wiese

Lauren Wiese, Knowledge Resources Associate, possesses a distinct cross-sectional expertise in both nonprofit management and information sciences. Lauren organizes the company's past projects, sifting through thousands of archival documents to bridge the gap between past and present, to build GG+A's historical narrative. Her work equips consultants with the research and institutional knowledge they need to service clients and create prospects.

Before she joined GG+A, Lauren was an Archives Intern at the American Association of Nurse Anesthetists. There she co-led the effort to migrate the firm's archives into a user-friendly cloud-based catalog. She also processed back logged items for researches and updated catalog records to reflect current standards.

Lauren graduated from Northern Illinois University in 2013 with a Bachelor of Arts in Community Leadership and Civic Engagement. She received her Master of Library & Information Science from Dominican University in 2018.
