

Tracey Quinn

Tracey Quinn joined GG+A in 2007 and has served in a variety of roles across the firm, including Project Assistant (2007), Project Consultant (2008-2010), Senior Project Consultant to the President and CEO (2010-2011), Executive Director, Office of the President and CEO (2011-2013), Chief of Staff (2013-2014), and Assistant Vice President of Practice Area Management (2014-2017). Starting from June 2017, Tracey serves as Assistant Vice President of GG+A UK/Europe, a role for which she relocated to London.

In her current role, Tracey contributes to the management of the firm's UK/Europe practice area, providing marketing and client engagement oversight, aligning project teams, and working to provide our clients with the best possible experience when partnering with GG+A. She also facilitates onboarding and talent management across our international teams, ensuring ongoing training and professional development are strategically provided to all members of our consulting and support staff, globally. Tracey's work with GG+A clients includes research, management and coordination of study logistics and data, comparative analysis, and timeline management. Over the past ten years of Tracey's tenure with the firm, she has worked on countless development program reviews, campaign feasibility studies, and specialized projects for a broad range of clients across the US, Canada, UK, and Europe.

Tracey holds a bachelor's degree in humanistic studies from Saint Mary's College.
